# OUR HISTORY

The Grolsch brewery was founded in 1615 in Groenlo. The city of Groenlo was then known as Grolle, hence the name Grolsch, meaning ‘of Grolle’.

Grolsch is best known as an authentic and refreshing beer brand, delivering a fresh, natural experience with a particular flavor with mint and its fresh ingredients used in our beer.

Mint is present as the main ingredient, giving a feeling of coolness to your mouth, leaving a fresh and healthy breath.

Since 2010, Grolsch has been recognized as the only beer with properties for dental health, that is why 4 out of 5 brewers and dentists recommends it.

The new Grolsch 0.0% alcohol is a robust beer, with minty tones and a slight sweetness. The result is a beer that makes it the perfect thirst quencher at every moment of the day.

**Grolsch, a healthy and fresh tradition to share with friends.**

## BREWERS SHIELD

The Grolsch shield represents the tradition of the brand, with the mint leaf and barley plant as the principal ingredients.

The **BREWERS SHIELD** certifies a natural mint beer by the “Association the brewers” of Grolsch.
